SUNTECK APPOINTS COLLECTIONS MANAGER

FOR IMMEDIATE RELEASE

February 2, 2009 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has hired Nancy Mackey as collections manager. In her new position, Mackey will be responsible for managing the collection of outstanding monies for accounts receivables. She has more than 17 years of experience in financial systems, billing, collections and strategic projects.

Prior to joining Sunteck, Mackey was director of billing and strategic accounts for three years with Spherion, a leading recruiting and staffing company. Before that, she spent 14 years with Office Depot, serving mostly recently as senior manager of strategic projects and also as billing manager. Other management positions within Office Depot included payment resolution manager, billing supervisor, and sales audit supervisor.

Mackey received her Bachelor of Science degree from Youngstown State University and also attended Ohio State University.

“We’re pleased to have a manager with Nancy’s experience join our organization,” said Mike Williams, chief operating officer, Sunteck Transport Group. “Her experience in accounts receivable reduction and systems implementation will be invaluable as we work to further improve the efficiencies of our back office solution for our broker agents.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
