SUNTECK ADDS AGENT OFFICE IN SOUTH GEORGIA

FOR IMMEDIATE RELEASE

January 22, 2009 – Albany, Ga. – Sunteck Transport Group, a non-asset based provider of transportation services, has added an agent office in South Georgia. This brings the total number of Sunteck agent offices to more than 60.

John and Melissa Mattox are Sunteck’s newest agents, based out of Albany, Ga. at (229) 431-1890. They have more than 60 years combined experience in the transportation and logistics industry, and will focus largely on dry and refrigerated van shipments.

“Sunteck was the ideal choice when it came to finding the best brokerage firm to support us for our business,” said John Mattox. “Their access to a wide range of carriers and the depth of the services they offer to their agents was the primary reason for our selecting Sunteck over others in the marketplace.”

“We’re pleased to see our agent network grow in size and scope,” said Mark Weiss, executive vice president, Sunteck Transport Group. “We welcome John and Melissa Mattox and their customers to our organization and family.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
