SUNTECK APPOINTS VICE PRESIDENT OF SALES AND AGENCY DEVELOPMENT

FOR IMMEDIATE RELEASE

May 24, 2010 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has named David Messmer as vice president of sales and agency recruiting. In his new role, Messmer will be responsible for further developing the broker agent network within the Sunteck organization. He has 20 years of transportation sales and operations experience and will be based in the Dallas, Tex. area.

Prior to this appointment, Messmer was regional manager for Landstar Global Logistics for five years, recruiting and supporting agents in the Southeastern region. Before that, he was with Union Pacific Railroad for nearly 15 years, serving in a variety of progressive management positions including analyst, team leader and regional sales manager for intermodal.

Messmer received his bachelor of science degree in business administration and marketing from Truman State University.

“We’re excited to have attracted an executive of David’s caliber to join our organization,” said Harry Wachtel, president and chief executive officer, Sunteck Transport Group. “David’s sales and agent recruiting experience will be invaluable as we continue to build our network of independent agent offices.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc. (OTC BB: AUTO.OB), is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
