SUNTECK ADDS AGENT OFFICE IN MIDDLE TENNESSEE

FOR IMMEDIATE RELEASE

November 21, 2008 – Smyrna, Tenn. – Sunteck Transport Group, a non-asset based provider of transportation services, has added an agent office in Middle Tennessee. This brings the total number of Sunteck agent offices to 64.

Randy States is Sunteck's agent based out of Smyrna, Tenn. at (615) 355-9176. This office has more than 20 years experience in the transportation and logistics industry, and will focus largely on dry van and flatbed truckload shipments. Target industries include automotive, plastics, consumer products and paper products.

"Sunteck was the best choice when it came to finding the best brokerage back office for our business," said Randy States. "Their access to a wide range of carriers and the depth of the services they offer to their agents was the primary reason for selecting Sunteck over other options in the marketplace."

"We're pleased to see our agent network grow in size and scope," said Mark Weiss, executive vice president, Sunteck Transport Group. "We welcome Randy States and his customers to our organization and family."

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck's services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers' needs quickly and effectively.
