SUNTECK EXPANDS AGENT RECRUITING

FOR IMMEDIATE RELEASE

September 27, 2011 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has promoted Melissa Mobley McDonald to the position of national agent recruiter. In her new role, McDonald will be responsible for further developing the broker agent network within the Sunteck organization. She has more than 10 years of transportation operations and sales experience and will be based in the Boca Raton, Fla. office.

McDonald joined Sunteck in 2010 as an account executive, where she developed new customers and assisted with their everyday transportation needs. Prior to that, she was office manager for Bearden Trucking, where her focus was on dispatch, customer service, collections, payroll and accounting. Before that, McDonald worked in transport operating positions for The Home Depot, Capital Cargo and American Port Services.

“We’re excited to have someone with Melissa’s experience in brokerage, sales and operations join our agent recruiting team,” said Harry Wachtel, president and chief executive officer, Sunteck Transport Group. “These skills will be invaluable as we continue to build our network of independent agent offices. She can relate first-hand to the issues that face freight agent brokers on a daily basis and how Sunteck can work with them to alleviate those pressures.”
