SUNTECK COO TO SPEAK AT ANNUAL TIA CONFERENCE

FOR IMMEDIATE RELEASE

March 16, 2009 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, is pleased to announce that Michael P. Williams, chief operating officer and general counsel, will be speaking at the Transportation Intermediaries Association’s (TIA) annual conference. Williams will be participating in a plenary session entitled “Who’s Growing and How?”, which will be delivered on Saturday, April 4, 2009 at 4:00 pm. in the Grand Hyatt in San Antonio, Tex. The overall theme of this year’s conference is “Growth In Challenging Times Takes Extreme Leadership”.

Williams joined Sunteck in January 2007 and has since led the company through a period of accelerated growth. Sunteck achieved \$84 million in sales in 2006, grew to \$110 million in 2007 and posted \$135 million in revenues in just the first nine months of 2008. Prior to joining Sunteck, Williams was with VEXURE, Inc. He served there as general counsel and vice president of legal and business affairs from 2002 to 2006. Prior, Williams served in a similar capacity for Stonier Transportation Group from 1999 to 2002. Like Sunteck, VEXURE and Stonier were non-asset based transportation and logistics trucking and brokerage companies.

Williams is a member of the Transportation Lawyers Association. He received his juris doctor cum laude from the Thomas Cooley Law School, Lansing, Mich., in 1994, and a master’s degree in taxation from the University of Florida, Gainesville, 1995. Williams spoke at the TLA annual conference in Ft. Lauderdale in 2008 regarding changes and challenges in the freight brokerage industry.

--more--

“I’m pleased to have been invited to participate in this exciting session,” said Williams. “We are very supportive of the work done by the TIA to drive improvements within the non-asset transportation industry and we hope that attendees will find the subject matter in our session useful for the challenging economic times we live and operate within.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
