AUTOINFO AGAIN AMONG TOP FLORIDA PUBLIC COMPANIES

FOR IMMEDIATE RELEASE

June 18, 2010 – Boca Raton, Fla. – AutoInfo, Inc. (OTC BB: AUTO.OB), a non-asset based transportation services company, has been named by *Florida Trend* magazine as one of Florida's top public companies.

At \$184 million in revenues for 2009, AutoInfo ranks 83rd on the list, up from 88 in the prior year. The company also ranked 119 in 2008. The publication only ranks the 150 largest Florida-based public companies.

Harry Wachtel, president, stated, "We're pleased to be recognized by Florida Trend as part of this elite group, which reaffirms our position as one of Florida's leading public companies."

About AutoInfo, Inc.

AutoInfo, Inc., operating through its Sunteck Transport Group and Eleets Logistics subsidiaries, is a non-asset based transportation services company, providing transportation capacity and related transportation services to shippers throughout the United States, and to a lesser extent, Canada. Our non-asset based services include ground transportation coast to coast, local pick up and delivery. We have strategic alliances with less than truckload, contract carrier, common carriers and independent owner-operators to service our customers' needs quickly and effectively.
