SUNTECK NAMED “TOP 10” BROKER

FOR IMMEDIATE RELEASE

November 29, 2010 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has been named the industry’s 10th largest broker by *Transport Topics* in its 2010 Logistics ranking. Every year at this time, the magazine names the Top 25 Brokerage Firms. Last year, Sunteck ranked 14th, up from the prior years of 21st and 23rd.

“This is a tremendous accomplishment that everyone associated with Sunteck has contributed to this past year,” said Harry Wachtel, president & CEO. “By being a Top 10 broker, this affirms Sunteck’s place among the elite in our industry. We’ve always been there in terms of the service that we provide to our agents and customers.”

Net revenue for the first nine months of 2010 is up 55 percent from the same period in 2009, the company said. “As we approach the end of the year, we are pleased to report strong results as we continue to recover from the economic downturn,” Wachtel added. “In 2010, we broadened our service lines and expanded our agent network as we have focused on both intrinsic and external growth. As we look to the future, we expect to continue to build on our core strengths and seek out strategic growth opportunities.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
