## **SUNTECK ANNOUNCES ADDITIONS TO SALES AND MARKETING TEAM**

### **FOR IMMEDIATE RELEASE**

May 28, 2008 – Boca Raton, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has announced two key appointments to its sales and marketing team. Russ Dixon has joined Sunteck as director of corporate marketing and communications and Debbie Carter has joined Sunteck as a corporate business development manager to help kick off its new corporate sales program.

In his new role, Dixon will manage the company's sales and marketing efforts directed at agent recruiting and support, as well as furthering the Sunteck brand within the shipper and carrier communities. Dixon has an extensive background in logistics marketing, most recently serving as senior manager of marketing and communications for four years with CEVA Logistics. Prior to CEVA, he held sales and marketing communications positions with VEXURE/ Stonier Transportation Group, APL/GATX Logistics and P-I-E Nationwide. Dixon is a graduate of the University of North Florida. He will be based in Jacksonville, Fla.

In her new role, Carter will be responsible for the continued expansion of the company's network of agents as well as leading corporate sales initiatives for strategic accounts. Prior to joining Sunteck, Carter spent four years in sales and marketing with Dart Advantage, a nationwide provider of truckload and intermodal transportation services. Carter will be based in Atlanta, Ga.

**About Sunteck Transport Group**

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck's services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers' needs quickly and effectively.
