AUTOINFO AMONG TOP FLORIDA PUBLIC COMPANIES

FOR IMMEDIATE RELEASE

June 23, 2008 – Boca Raton, Fla. – AutoInfo, Inc. (OTC BB:AUTO.OB), a non-asset based provider of transportation services, has been named by *Florida Trend* magazine as one of Florida's top public companies.

At \$110 million in revenues for 2007, AutoInfo ranks 119 on the list, up from 139 in the prior year.

Harry Wachtel, president, stated, "We're pleased to be recognized by Florida Trend as part of this elite group, which reaffirms our position as one of Florida's leading public companies."

AutoInfo, Inc., operating through its subsidiaries Sunteck Transport Co. Inc. and Eleets Logistics, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services to shippers throughout the United States, and to a lesser extent, Canada. Our non-asset based services include ground transportation coast to coast, local pick up and delivery. We have strategic alliances with less than truckload, contract carrier, common carriers and independent owner-operators to service our customers' needs quickly and effectively.
