SUNTECK ACCEPTED AS SMARTWAY TRANSPORT PARTNER FOR IMMEDIATE RELEASE

June 16, 2008 -- Jacksonville, Fla. – Sunteck Transport Group, a non-asset based provider of transportation services, has been recognized by the U.S. Environmental Protection Agency as a SmartWaySM Transport Partner.

SmartWaySM is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.

“Sunteck is committed to improving the environmental performance of our freight operations as a SmartWay Transport Partner,” said Michael P. Williams, chief operating officer, Sunteck Transport Group. “This is an important step in our journey to become a more environmentally-conscious shipping organization.”

About Sunteck Transport Group

Sunteck Transport Group, the operating subsidiary for AutoInfo, Inc., is a non-asset based transportation services company, providing transportation capacity and related transportation services through its agent network to shippers throughout the United States, and to a lesser extent, Canada. Sunteck’s services include ground transportation coast-to-coast, local pick-up and delivery. Sunteck has strategic alliances with less-than-truckload, contract carriers, truckload common carriers and independent owner-operators to service its customers’ needs quickly and effectively.
